AffirmTrust offers a suite of products and services that includes SSL digital certificates and related services (“Services”). The Definitions at the end of this Agreement contain important provisions which you should review to understand this Agreement.

1. The Terms of Service. By clicking the checkbox in the registration pages of the Services indicating your acceptance of the Terms of Service or transmitting a signed copy to AffirmTrust by other means, you and any entity you represent (collectively, "you" or “Subscriber”) are hereby agreeing with AffirmTrust to the following Terms of Service.

Important: the following agreement sets forth the terms and conditions under which AffirmTrust or an Affiliate of AffirmTrust is willing to provide the Services to you as an individual user or an authorized representative of an entity. By accepting this Agreement, you are entering into a binding legal contract with AffirmTrust. The terms and conditions of this Agreement will then apply to your use of the Services. Please print this Agreement for your records and save a copy electronically.

You must read and accept this Agreement before you install or use the Services. If you are an individual, then you must be at least 18 years old and have attained the age of majority in the jurisdiction where you live to enter into this Agreement. If you are acquiring the Services on behalf of an entity, then you must be properly authorized to represent that entity and to accept this Agreement on its behalf.

AffirmTrust reserves the right from time to time to enhance, reduce, modify, or discontinue the Services and to impose new or different conditions on their use. AffirmTrust may change or update these EV Terms of Service at any time by posting the changes or the updated EV Terms of Service on the AffirmTrust website, and it is your responsibility to routinely review the EV Terms of Service from time to time. Your use of the Services after changes or updates to the EV Terms of Service are posted on AffirmTrust's website shall constitute your acceptance of the EV Terms of Service as modified to the extent permitted by applicable law and shall modify this Agreement accordingly.

Under applicable standards, your Organization and each organization in a Profile in your account must be re-authenticated at periodic intervals in order for you to continue to use the Services. You agree that this Agreement (as it may be changed or updated from time to time pursuant to the prior paragraph) shall continue to apply even after the Organization or any organization in a Profile in your account is re-authenticated, and that AffirmTrust will not be required to submit or agree to a new agreement with you following re-authentication of the Organization or any organization in a Profile in your account.

You warrant that you have the authority to agree to this Agreement on behalf of (1) the Organization named in your account and all present and future organizations that may be included in Profiles in your account and also (2) all Administrators named in your account and as well as all Administrators who may be added to your account in the future. You also agree that all present and future Administrators for your account (including Administrators for Profiles) shall have the roles and authority as described in the customer portal for the Services and related training and help materials, including the ability to appoint other Administrators and choose account and Profile preferences, and that this Agreement shall apply to all Administrators presently named in your account and any Profile and added to your account and any Profile in the future.

2. Ineligible Parties. To the extent permissible by law, you are ineligible to subscribe to the Services if: (1) you are a competitor of ours, (2) you or your employees using the Services have been convicted of any computer or Internet-related crimes, (3) you are more than sixty (60) days past due on any monies owed to us, or (4) you are located in a region that is prohibited from using the Services by law.

3. Your Identity and Authority. You agree to provide current, accurate information in all electronic or hardcopy registration forms submitted in connection with the Services. You agree not to impersonate or in any way misrepresent your affiliation or authority to act on behalf of any person, company, or other entity. By subscribing to the Services or accepting the Agreement, you certify that your personnel and agents using the Services are authorized to act on your behalf. You agree to cooperate with AffirmTrust and use commercially reasonable measures to verify the identity and authority of persons using the Services.

If you have authorized or allowed any third party (such as an ISP, web hosting company, or other service provider) to act on your behalf or to act as your agent in obtaining Certificates under the Services, including but not limited to performing any steps in the Certificate ordering process on your behalf (such as agreeing to the AffirmTrust Terms of Service on your behalf, generating a key pair for you, submitting a CSR for you, performing vetting or domain validation steps for you, etc.), you hereby represent and warrant to us that such third party has your permission and the full power, capacity and legal authority from you to take such steps on your behalf as your authorized agent.
